## Kitchen

### Food & Liquids

Only foods that are fully sealed and unused are accepted for storage.

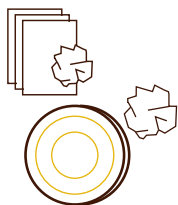

### Fridges and Freezers

Defrost your fridge and freezer 24 hours before storage.

### Moisture

Place a roll of toilet paper at the bottom to absorb excess moisture.

### Crockery

Pack plates vertically and glasses lip down individually wrapped. Use crushed paper to absorb vibration and prevent damage.

## Laundry

### Appliances

Disconnect appliances from the power and water supply prior to storage.

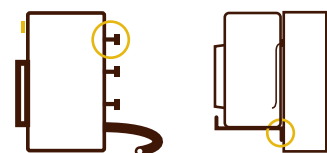

### Washing machines

Drain the appliance and hoses of all water and dry the machine.

Most machine bowls must be secured with manufacturers machine stabiliser bolts.

Refer to manufacturer's handbook to avoid preventable damage.

## Bedroom

### Bedroom

Remove all linen and pillows from all beds.

Disassembly and reassembly of \*conventional beds is part of our removal service.

## Lounge

### Lounge

Prepare dismantling of wall units and furniture items, including blinds, curtains, other fittings prior to loading day.

## Workshop & Outdoors

Outside effects such as garbage bins, lawn mowers, tools must be cleaned of all soil, grass, vegetation to comply with quarantine (WA, TAS).

## General Info

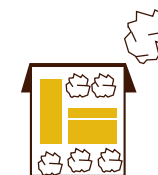

### Packing Tips

Clearly mark and label every box including the room and contents and clearly mark fragile cartons.

### Heavy Items

Pack heavy items first so they don't crush lighter items or cause the box to tilt.

### Cartons

Ensure carton is packed full, use crushed paper at the bottom and top of the carton.

### Delivery

It is important that you or someone acting for you be present when we deliver your goods to correctly direct in the placement of furniture and cartons.

\*Conventional beds - Bed head, end, side rails and slats

# Kent Removal & Storage Don'ts

Below is a guide of what to look out for. Please contact your Kent Storage Consultant for expert advice.

Preparation of appliances are not part of our removals service. Kent can provide an ancillaries service to manage your requirements prior to move day.

☎ 13 55 31

## Kitchen

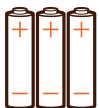

### Food & Liquids

Perishable or opened items will not be accepted for storage.

### Sharp objects

Must be properly wrapped to prevent them protruding from the moving boxes.

### Batteries

Remove batteries from all appliances (including lithium batteries).

## Workshop & Outdoors

### Plants

Movement of plants can be against quarantine requirements. Please discuss your needs with your move Coordinator. Moving your plants is at the risk of the owner and plants may die during transit as the health of the plant can't be guaranteed.

## Equipment

### LPG Bottles

LPG bottles can be moved provided they are completely empty and have been purged with a certificate attached.

### Lawn Mowers

Lawn movers and other gardening equipment can be moved, provided all fuel and oil is emptied and they are cleaned (state restrictions apply).

### Scuba tanks

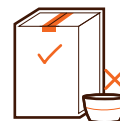

Scuba tanks can only be moved if completely empty.

### Fire extinguishers

Fire extinguishers, heaters and lamps must be emptied of fuel using appropriate method.

## General Info

### Loose Items

Don't leave anything loose, if it fits in a box pack it, otherwise Kent can provide custom crating for large, oddly shaped or valuable items.

### Overload Boxes

Refer to Kent professional packers to pack any fragile items.

### Plastic

Plastic tubs and garbage bags should not be used for packing or transportation.

### Flammable Liquids

No flammable liquids or hazardous items including gas bottles (including Sodastream bottles), lighters and batteries.
